Compensation

Pay Gap

Pay Gap Score

1

Existence of policy to address the gender pay gap

"We conduct annual global compensation reviews to assess pay outcomes for fairness and equity. As part of this process, we partner with pay equity experts to identify any potential outliers for whom adjustment to total compensation may be appropriate. We take into account a number of employee characteristics, job factors and external conditions, which form part of the review of year-end compensation awards before they are finalized."
